daughter, Christine. It wasn't possible to have a personal contact. Hope to do that on another visit.

Did meet for the first time, Georgia Jane Zerbe Karg and her ~~Elmer~~ husband, Elmer. Georgia is a great granddaughter of Henry Winter, an older brother of Charles Douglas and Hiram. I believe that I was named for Henry Wadsworth Fremont.

We trust that all is well with you, Margaret. Let us hear from you at your convenience. We are well as are all our young families.

Sincerely

Your cousin Henry W.
